Dear Ms. Best:

This is the Corporation for National and Community Service, Office of Inspector General's (CNCS-OIG) response to your June 20, 2019, Freedom of Information Act (FOIA) request for the following records:

1. List of Inspector General closed investigations during the calendar year 2016.

We note that the FOIA request, dated June 20, 2019, was originally sent to the incorrect mailing address, which delayed its delivery. CNCS-OIG did not receive the FOIA request until July 10, 2019. CNCS-OIG is obligated by 5 U.S.C. § 552(a)(6) to fulfill the request within 20 days of receipt of the request and is timely providing this response in accordance with our statutory obligation.

As requested, please find the attached list of closed CNCS-OIG investigations during the calendar year 2016. Personally identifiable information, including the identities of individuals and any other identifying information in the released records, have been redacted based on considerations of personal privacy, 5 U.S.C. § 552(b)(6) and (b)(7)(C) (disclosure "would constitute a clearly unwarranted invasion of personal privacy.")

The decision to withhold information is made on behalf of the Inspector General, who is authorized to determine FOIA disclosures of the Office of Inspector General records. You may obtain administrative review of this action within 60 calendar days from the date of your receipt of this notice. A request for review will be considered under the regulations for appeals of FOIA request denials at 45 C.F.R. § 2507.7. Any request for review must be made in writing and addressed to Edith Shine (eshine@cns.gov), FOIA Appeals Officer, Corporation for National and Community Service, 250 E Street, SW, Washington, DC 20525. In the event you are dissatisfied with the results of any such appeal, judicial review is available to you in the United States District Court for the judicial district in which you reside, or in the District of Columbia, which is where the records you seek are located.

As an alternative to judicial review, the Office of Government Information Services (OGIS) offers mediation services to resolve disputes between FOIA requesters and Federal agencies as a non-
